EDUCATION

Brown University Class of 2030
Providence, RI

- Intended Concentration: Economics & Applied Mathematics

Concord Academy High School Diploma, June 2026
Concord, MA

- SAT 1550 (800 Math, 750 Evidence-Based Reading & Writing).
- AP Calculus BC, Physics C: Mechanics, and Microeconomics: 5.
- Moved to the U.S. from Ukraine in 2022 to attend high school.

Tufts Pre-College Summer 2025
Tufts University

- Coursework in biostatistics (regression, experimental design, A/B testing) and expository writing.

EXPERIENCE

Gal Space — Co-Founder & Lead Developer Summer 2026
galspace.app

- Built a platform connecting people who have experienced loss through shared interests and local events.
- Built the product on React, Supabase, Vercel, and Resend — handling authentication, database design, and deployment to galspace.app.
- Co-led product direction, user research, and launch strategy with two co-founders.

PROJECTS

Game Developer — GMTK Game Jams Summer 2022 — Present
Godot

- Designed and shipped original games under tight time constraints for multiple GMTK Game Jams; portfolio at itch.io.
- Rapidly prototype gameplay systems and learn new tools to turn a new theme into a playable game within each jam's time limit.
- Collaborated with small development teams, contributing to programming, game design, and art as needed.

ACTIVITIES

Concord Academy 2022–2026

- Co-headed the Film Club and completed a senior project on cinema as protest and propaganda.
- Founded a peer affinity space for students coping with grief and loss.
- Founded Formula 1 Club and Rock Climbing Club.
- Competed as a varsity athlete in cross country, wrestling, and track.

SKILLS

- **Statistics & Data:** regression, experimental design, A/B testing; Google Sheets and Excel.
- **Programming & Tools:** Python, R, Godot, Git.
- **Languages:** English (fluent) · Ukrainian (native) · French (conversational)
